

List of updates Course Guide Summer Semester 2026

08.04.2026

For new courses where the registration phase has ended already, you can contact the lecturers and ask to be registered unless indicated differently in the list below.

(Module information Core and Focus is relevant for 1st year students only)

- **C1/ Core ML: NEW: Philosophy of Science in the Age of the Replication Crisis (030028)**
→ for registration please attend the first seminar session and ask to be registered
- **C1 /Focus BB: Synthetic Relationships: Trust, Emotion, and Social Interaction in the Age of Artificial Intelligence: Course number added: 110014; registration period prolonged; room: IA 1/91**
- **C3/Focus CA: NEW: Machine Learning: Supervised Methods (211024)**
For the exam, please register in e-campus.
- **C3/Focus CA: NEW: Seminar Artificial Neural Networks (211131)**
→ please read the registration information given in the course guide
- **C3/Focus CA: NEW: Seminar: Introduction to Bayesian modeling (211144)**
→ for registration, please write an e-mail to Merlin Schüler (Merlin.Schueler@rub.de)
- **C3 / Core CA: Introduction to Computational Neuroscience (211046):** Module for students year1 added
- **C4/AM2 /Focus ML: Empirical methods in philosophy of language (030036):** Module for students year1 added, the time might change- please check again next week
- **C4/ Core ML: NEW: Introduction to Pragmatics and Philosophy of Communication (030012),** the time might change- please check again next week
- **C4/ Core ML: NEW: What is information? (030072)**
- **C4/ Core ML: NEW: What is information? (030072)**
- **C4/ Focus ML: NEW: The 'Humbug' of Too Many Values (030064)**
- **AM4/ Focus CA: NEW: Lab Course: Introduction To Bayesian Modeling (212417)**
→ for registration, please write an e-mail to Merlin Schüler (Merlin.Schueler@rub.de)
- **AM4/ Focus BB: NEW: Menschenzentrierte Robotik (136070)**
- **AM4/ Core CA: Scientific Applications in Matlab (118162):** room added: IB 02/109. PC-Pool
- **I1/ Focus ML: NEW: Topics in the Philosophy of Language, Logic and Information: (Non)Existence (030062)**
